THE ONE THOUSAND AND FORTY-NINETH

ACT

OF THE PARLIAMENT OF THE REPUBLIC OF GHANA
ENTITLED

PRE-TERTIARY EDUCATION ACT, 2020

AN ACT to provide for a pre-tertiary education system and an educational system to produce individuals with the requisite knowledge, skills and values to become functional and productive citizens for national development, to establish the Education Service and the Technical and Vocational Education and Training Service and to provide for related matters.

DATE OF ASSENT: 29th December, 2020.

PASSED by Parliament and assented to by the President

PART ONE – SYSTEM OF PRE-TERTIARY EDUCATION AND THE EDUCATION SERVICE

General Provisions

System of pre-tertiary education

1. The system of pre-tertiary education shall consist of
 - (a) basic education which comprises
 - (i) two years of Kindergarten;

- (ii) six years of Primary School; and
- (iii) three years of Junior High School; and
- (b) secondary education which comprises
 - (i) three years of Senior High School; or
 - (ii) three years of Technical and Vocational Education and Training.

Free, Compulsory and Universal Basic Education

2. (1) A child who has attained school going age shall attend a course of instruction as laid down by the Minister in a school at the basic level recognised for that purpose by the Ministry.

(2) Basic education shall be free, compulsory and universal.

(3) There shall be no social, cultural, religious, gender, economic or geographic hindrance to any child of school-going age from gaining access to free compulsory universal basic education in a public basic education school.

(4) Subject to clause (2) of article 240 of the Constitution, a District Assembly shall provide the necessary infrastructural requirements and any other facilities for the provision of basic education for the population in the area of authority of the District Assembly.

Free secondary education

3. Secondary education in its different forms, including technical and vocational education, shall be free and accessible to all eligible candidates.

Management of pre-tertiary schools

4. (1) The Education Service, in collaboration with the Local Government Service, shall take measures to ensure that the District Education office takes responsibility for the provision of effective and efficient management of basic schools.

(2) The Regional Education Directorate shall take responsibility for the effective and efficient management of senior high schools.

(3) The Technical and Vocational Education and Training Service shall take responsibility for the effective and efficient management of pre-tertiary technical and vocational education and training institutions.

(4) Faith-based schools shall enter into Memorandum of Understanding with the Education Service for the effective and efficient management of faith-based schools.

Inclusive education

5. (1) The Ministry and District Assemblies shall provide and ensure that the environment created for basic education is user-friendly for persons with disability and children with special education needs.

(2) A school that delivers education to children with special needs shall ensure that the environment created for basic education is user-friendly and meets the requirements of such children admitted into the schools.

(3) A parent or guardian shall take advantage of inclusive education facilities to send a child with special needs to the appropriate education facility or make a request for the provision of an appropriate education facility which may be provided, subject to the availability of resources.

(4) For the purpose of this section, "inclusive education" means the value system that holds that each child, irrespective of their physical or personal circumstance, is given equal and balanced opportunity and access to basic education.

The Education Service

Establishment of the Education Service

6. (1) There is established by this Act, the Education Service as a body corporate.

(2) For the performance of the functions of the Education Service, the Education Service may hold property, dispose of such property and enter into a contract or any other related transaction.

(3) Where there is a hindrance to the acquisition of land, the land may be acquired for the Education Service under the Land Act, 2020 (Act 1036) and the cost shall be borne by the Education Service.

Membership of the Education Service

7. The Education Service shall consist of
