EXAMINATION IRREGULARITIES

Following completion of investigations into some of the cases of irregularity reported during the conduct of the examination, the Ghana Examinations Committee, at its 40th Meeting held on Wednesday, November 17, 2025, approved as follows:

(1) Cancellation of **Subject Results** of **6,295** candidates for bringing foreign material like prepared notes, text books, and printed material into the examination halls;

(2) Cancellation of **Entire Results** of **653** candidates for possession of mobile phones in the examination halls;

(3) Withholding of **Subject Results** of **908** and the **Entire Results** of **158** candidates for various suspected offences.

Yet still, some subject results of candidates from **185** schools have been withheld for alleged collusion. These cases are still under investigation. We are working around the clock to ensure that the withheld results of these candidates are published before the end of December, 2025 depending on the outcome of investigations.

In addition, a total of 35 persons, 19 of whom are teachers were found to have engaged in acts that compromised the integrity of the examination. So far 19 of them have been arraigned before court and have been convicted to fines or terms of imprisonment. The remaining 16 are yet to presented before the courts by the police. Beyond what the courts may decide, the list of teachers will be presented to the Director General of the Ghana Education Service for further disciplinary action.

CONCLUSION

The Council expresses its sincerest gratitude to stakeholders especially the Ministry of Education, Ghana Education Service, the Security Agencies, Heads of School, Supervisors, Invigilators, Examiners and all who in diverse ways supported it in the successful conduct of the examination and release of results.
