Your Ref. No.:

TO ALL REGIONAL DIRECTORS

APPROVAL TO INVITE REGIONAL QUALIFIERS TO KNUST, KUMASI, FOR THE NATIONAL CONTEST OF JUNIOR SCIENCE AND MATHS QUIZ COMPETITION – 2025 EDITION

Management of the Ghana Education Service (GES) wishes to inform you on the approval granted to the regional qualifiers for the National Contest of the Junior science and Math quiz competition.

This program aims to promote Science, Technology, Engineering and Mathematics (STEM) education among Junior High School students across the country. The objective of the project is to nurture interest and passion in these critical fields and to contribute to the technological advancement of our nation.

The program is scheduled to take place from **1st to 6th December 2025 at KNUST, Kumasi**. Each qualified school will be represented by four contestants and three teachers. Food will be provided, and transportation will be arranged to convey selected schools from designated regional centers to Kumasi.

In view of this, all Regional Directors concerned are to notify the District, Municipal, and Metropolitan Directors to inform school heads about the program and to monitor attendance to ensure all selected schools participate. Arrangements should also be made to ensure that the program does not interfere with academic work or performance.

Attached is a list of all invited Basic Schools.

We count on your usual cooperation and support.

Thank You.

A handwritten signature in blue ink, appearing to read 'Prince Charles Agyemang-Duah'.
