ALL REGIONAL DIRECTORS

VIRTUAL LEARNING FOR SENIOR HIGH SCHOOL STUDENTS ON CHANNEL MoE TV

The Management of the Ghana Education Service (GES), with support from the Centre for National Distance Learning and Open Schooling (CENDLOS), wishes to inform Heads of all Second Cycle Institutions, particularly the double track schools, that arrangements have been made to engage the Form One SHS/SHTS students **virtually**.

Having already completed nine (9) weeks in school, it has become necessary to continue academic work for the remaining three (3) weeks of the term through **virtual learning**.

Accordingly, lessons will be organised and broadcast to the students as follows:

Platform : Channel MoE TV (available on Multi TV)
Start Date : Monday, 1st September, 2025
End Date : Friday, 19th September, 2025
Time : 2:00 p.m. – 8:00 p.m. daily

All students are encouraged to download the full set of curriculum resources and textbooks from the microsite: curriculumresources.edu.gh. Access to the site is completely **data-free**.

Regional Directors are requested to communicate this arrangement to all Metro/Municipal/District Directors and Heads of Senior High Schools for onward dissemination to parents and students. Heads of schools should particularly ensure that the **Parent Teacher Associations (PTAs)** are duly informed so they can encourage their wards to prepare adequately and participate fully in the virtual lessons.

Your usual cooperation is highly anticipated to make this intervention successful.
